

The image is a composite. On the left, a photograph shows a person's hands in a tan sweater typing on a silver laptop. A white pen rests on the keyboard. To the right, a presentation slide is displayed. The slide has a white background with a purple border. At the top, a small purple square contains a white '@' symbol. The main title 'A2G'S' is in large, bold, purple letters, followed by 'CONSULTANCIES' in white letters on a blue rectangular background. Below this, the text 'Electronic hardware manufacture and sales' is written in black. At the bottom of the slide, a purple rectangular button contains the white text 'Reach out'. The entire presentation is shown within a window that has a vertical toolbar on the left with icons for back, forward, search, and other navigation functions, and a status bar at the bottom showing 'Page 1 / 7', a progress bar, and '62%'.
